### From the Prez:

WOW! Time sure flies when you are having fun. Already it is driving season. It is time to wake up our cute little cars for winters long sleep. I hope every bodies is up and running. If not contact a fellow club member maybe they can help. We have a lot of expertise in our club.

The club had its first drive of the season on May 18th. Even though it was a rainy day many of us showed up for a great drive in the country, great food and great company.

Thank you Will and Kaye for putting this together. Thank you to all the members who came out.

See our website calendar for more events coming up.

Also if your if your LBC is in a funk and you swear it's a piece of junk created by the evil Lord of British electrical calm down and bring your regular street car. We want you to come out and enjoy our events no matter what.

Ray Teschke, Pres, MBCG

## Minutes from the meeting

May 8, 2019

Meeting was started at 6:35 with 30 members in attendance. There was one guest from Lake Mills, Jerry Matson. He had a 1973 MGB that he wanted to sell.

The Secretary read the minutes from the last meeting. Treasurer Dave was absent. V.P. Dave told about Cars on State, June 1<sup>st</sup>. Send in Registration and \$20.00 as soon as possible and put on there that you belong to the MBCG car club. They will then put us all together. Dave will order new name tags for new members. He also talked about the summer drives. Prez. Ray Teschke would still like some pictures of our cars.
