From the Prez:

Hi All, HO HO the Holidays are just around the corner and that means the groups party is too. See info on the party below. Steve & Karen Tobison's have graciously opened their house for this years party. Please be sure to thank them.

Another important item coming up in the new year is elections of officers. I have been your President for the last four years but would be willing to step aside to give others a chance to serve or be re-elected. This is a very important position that keeps the club going and has the wonderful support of the club membership to help out to make the job easier. Please let me know if you are interested in serving.

Happy Holidays from The Teschke Family

Minutes of the Meeting

November 13, 2019

By Shirley Smith

The meeting started at 6:40 with 12 people in attendance. No new members.

No minutes from the last meeting were read. Treasurer Dave Nordby was absent. Vice President Dave started us off with what he came up with on where to hold the Annual Christmas party. He had checked a few places, one of them being the Maple Tree. He had menu ideas, amounts and dates. Judy Davis said that in the past the parties were always held in a home of one of the members. She said that people liked that the best. They could bring things, stay as long as they wanted and enjoy each other's company. Steve Tobison spoke and said that he would call his wife and ask her if they could host this year's party. She agreed. January 4, 2020 is the date, 5:30 in the evening. Bring a dish to pass, what you want to drink and give a gift/get a gift. The give a gift/get a gift is optional. We do have a returning gift that shows up every year. A roller skating gnome!!

Then came the discussion as to who would bring the meat. In the past, Judy would make a ham and turkey and buns. She said that she would make the turkey and bring it. As for the ham she was going to get with Karen and discuss it. We always had a raffle and Ray and Sarah Teschke said they would take care of that. Randy Otto said that he would be in charge of the entertainment. He also thought that we should have some entertainment at the meetings. That was tabled for now. Although he did recite a poem that his father had taught him and his brother when they were young. Good job Randy! **Please let Steve and Karen or myself know if you are coming so that everyone can get a gift from the raffle.**

We also discussed the movie "Ford vs Ferrari". This is a true story. Some were going to the Sun Prairie movie theater on Tuesday afternoon as it is cheaper for seniors.

As the weather wasn't very good, the meeting was closed at 7:10. Shirley
