See yaa soon!

Note from Shirley

I want to thank Ray and Sarah Teschke for the plaque that was presented to me for my position of Secretary/Newspaper Editor for the last few years. It will be hung up with pride that I have contributed to a very caring club. Tom and I will use our cups with pleasure knowing that we had a lot of friends that enjoyed our tours. We know we did and talk about the tours and the friends often. We are planning on staying in the club and being as active as we can, going on the tours, car shows and drive, just not doing some of the work. We are willing to “help”, as some times the support is needed.

Bless you all and thanks for letting us be involved in the club.

Shirley and Tom
