Fall tour is in the process of getting organized. It will be September We have decided to go to Elkart Lake to the race track and see other sites in the area. The race track is open on Friday night. You have to pay to drive the track with your car but what an experience. We are planning on staying at the Baymont in Plymouth. We stayed there once before and it was a very nice hotel. Randy Otto is checking into this. Randy is also putting together a group to do different things for the tour. He will be having a Voom meeting next week with

the ones that have volunteered. More on all of this shortly.

President Debbie was asking for suggestions on different things. Maybe have someone come in and talk to the group about cars, have people in the group give a talk about something they have done to their cars. This would maybe be a 15 minute talk. Let her know if you would be interested to do that.

She also mentioned about by-Laws. No one was in favor of it.

We would like to see more wives coming to the meeting. Let your wives know that it is not just a tech session and we need wives input as to what we do. Wives are welcome!

There was talk of drives on Wednesday night or possibly on Friday night and go some place to have fish. We could also have weekend drives. Let Dave Griffith or Debbie know if you would like to take the group on a drive. Wednesday or Friday night drive usually start about 6:00 and last about an hour with a meal after. Weekend drives are up to the route maker as to when to start, stop, take breaks, etc.

If you have some suggestions for anything that the group could do or do at the meetings, let Debbie know.

Meeting adjourned at 7:20.
