From the Prez:

Hi all you great Members,
I have heard rumors that spring may actually get here soon. I hope it is true. We have many great events and drives already in the planning stages. See Shirley's notes below and the left side bar. Your officer committee is always open for suggestions. Come to the meeting on Wednesday May 8th to hear all the updates. Also this is the last meeting before summer activities and also until September.

See you all Wednesday night,
Ray Teschke, Pres, MBCG

Minutes to the meeting

Meeting started at 6:35. No new members. 14 members were in attendance.

Shirley gave a report for the minutes of the last meeting. They were approved with no corrections. Dave Nordby gave a report that dues were still coming in. The only cost will be for the web site. If you haven't renewed, it's \$20.00 per family/a year. Dave gave a summary of the annual statement. Club is stable. V.P. Dave Griffith was absent. Web Master Ray Teschke said that the website is up and running. Calendar/newsletter are the main things to look at. He would like pictures of our cars with first names only.

Old business: Ladies Day will be at Dawn Farris's house. Noon until?? Denise Wood will do messages. She needs to know who will be wanting them. She charges \$40 for a ½ hour, \$70 for an hour. Bring a dish to pass if you want, something to drink, and a chick flick that you like. We may watch it or just talk. Enjoy the time with the ladies of the club!

Prez Ray said that Cars Curing Kids will be May 26th at the Coliseum area. Meet at the Coliseum Bar and Banquet at 9:30 if you want to go in as a group.

Cars on State is June 1st. Meet in the parking lot on the corner of 1st Street and E. Washington at 8:30 to go as a group. (the old Fiore Shopping Center) Let Dave Griffith know if you want to join us.

British Field Days will be June 16th, Father's Day. We will meet at McDonald's in Lake Mills by 8:30am. and Dave/Leslie Griffith will lead up to Sussex via back roads. Let Dave know if you are going so we can wait for you. Bring a dish to pass, chairs to sit on and something to drink as we will be eating over there.

Spring Tour: Will Daehler, Kaye Gmur and Steve Johnson are going to plan on a Spring Tour on May 18th around the New Glarus/Bellville area. More to come at the May meeting if not before.

Fall Tour: It was voted that we would be going to Reedsburg for the Fermentation Fest this year. There was such a good response the last time we went that we decided to go again this year. More info will be coming but plan on October 4-6th. Sarah Teschke will be checking into hotels and Shirley Smith said that she and Tom would be checking on some routes to Reedsburg.

It was voted on that the guide lines for the new plaque that Richard Campbell will be making will be made up by the officers. This plaque will be given to the recipient for a period of time for outstanding service to the club.

Prez Ray was asking for comments on the new website. Everyone that looked at it thought the website was good.

Tom Smith said that the All British Car Show in Palatine, IL. was September 8th. We will be going and so will a few others. Unique cars and usually about 500-700 cars at Harper College parking lot.

Vic Soderstrom said that there is a hill climb in New Glarus on May 4-5 sponsored by the Alpha Club of WI.
