A NOTE FROM THE DESK OF SHIRLEY

Because of recent events in our house, I have decided to not run for Secretary/Newsletter editor. I do this with a heavy heart, but I also think that someone else can step up and do this job. It's not a hard job just that right now I have too many things to think of. It's good for the club to have different people running for positions once in a while. Get different ideas, plans for different outings, etc.

Also Tom and I are stepping down from the Fall Tour planning trips. We have done it several years and again this is something where new ideas would be good coming from someone else. The Austin Healey club will be doing it this year and I have heard that they will be making arrangement for rooms in Door County. Then next year (2021) the MG3 Club from Milwaukee will be taking their turn. Then in 2022 we will have to decide where to go, plan routes to get there and plan hotel accommodations, food, etc. We have some very talented people in the club that can do some of these positions. And it doesn't have to be just one couple, it can be as

many as you need. Tom and I would be happy to give you pointers, just not doing it.
Thanks for your continued support and help.
