

The meeting was held at our new location,
The Breakwater, 6308 Inland Way, Monona WI 53713

A multitude of members came an hour early and feasted on their menu.

The **President** called to order at 6:30pm, with in excess of 35 members.

New members and guests were introduced. Chris Beebee, Lynn Hudson and Jon & Sue Dahle. Jon & Sue Dahle bring to the club 55 Nomad, a '36 Ford Street Rod with a LS1 motor and a '66 Mustang Convertible.

The **Secretaries Report** was minimal, he was scribbling as fast as he could.

The **Vice President** announced that he had 500 business cards printed to pass out at suitable times to introduce the club to people that we randomly run into with British cars at the side of the road for example.

The **Treasurer's Report**: Dave Nordby is now accepting 2023 membership dues.

Old Business There are name tags available for pick up for the new members. The names were read out but no one stepped forward to claim them. I recorded two last names, but there were more. Michael and Kathy Mars and also Sheena and Don Bliss. We need to follow up with this. There is still one timing light being handed out. Clearly a case of those who know what they do, already have one. And those who don't know what they do don;t need one.

New Business:

The photos from the successful Fall Tour will be posted on our website next week.

Madison British Car Group Hats will be \$15. A sign-up sheet was passed around so that we could get commitments close to the minimum order of 36 hats. There was a selection of colors, but the samples shown were white and looked great.

Steve Tobison is a grandfather AGAIN and rather than passing out cigars he brought a two pound bag of yellow onions for every person at the meeting. Thank you and congratulations.

Randy Otto gave a Winston Churchill presentation titled **Blood Sweat and Gears**. His wonderful talk included such admirable names as Bentley, Rolls Royce, Humber, Daimler, Pullman Mark and the amazing Austin10.

I caught some very British phrases such as Careless Exuberance, Jumping the Queue, Value Added Tax, Pick up Bits, and Gene Davis the amazing Master Fabricator, Two more Pints and God Save the Queen.

The Christmas Party this year will be held at Kaye Gmur and Will Daehler's house

Date : Saturday December 10th

Time : 1:00 pm

Where: 919 1st Street,

New Glarus, WI 53574

The vote was to have a gift exchange for those who want to participate. A dish to pass and BYOB/drinks to share has worked well in the past, and further coordination is anticipated. Kaye Gmur's phone is 608-287-4700 and email klgmur@gmail.com

End of Report the meeting was adjourned around 8:30 pm and no one really got up to leave. Comradship is at an all-time high.
