Looking forward to seeing many of you on the tour.

## Minutes of the Meeting

9/11/2019

By Shirley Smith

The meeting started at 6:35 with 20 people in attendance. We had 4 new members at the meeting. Gregg and Cindy Garnett and Peter and Debra Sala. Welcome to the club.

Shirley read the minutes to the last meeting in May. Treasurer Dave Nordby was absent. Vice President Dave Griffith talked about name tags and gave out the ones that he had. If you are a new member and don't have a name tag, let Dave know. Web Master Ray Teschke said that the website is up and running.

Old Business: This summer was a busy one. Dave Griffith and Randy Otto talked about the Concours d Elegance in Milwaukee that they took their cars to. Both were impressed with all the different cars and plan on going back next year. Jay Olsen talked about Elkhart Lake Vintage weekend and the cars that were allowed on the race course. Tom Smith talked about the All British Car show in Palatine, IL. Kind of a wet day but still John Gibbs and we were enjoying the cars.

This summer we had our first picnic. Thanks to all that made it possible. Dawn Farris got the shelter in Stoughton, Sue Springstead and Dave Smithson for helping out. A very big thank you to Steve Johnson and Cindy Macki-Johnson for supplying the brats, courtesy of Sysco where Steve works. Also thanks to Dave and Leslie for making them and bringing them to the picnic. And thanks to all that came and brought food!! A fun time was had by all that were there.

New business: Shirley talked about the Fall Tour and some of the things that we were going to do. Fall Tour is October 4-6. Hotel rooms were going to be closed and put out for the public on September 13<sup>th</sup>. Andy Oie had a show and tell. There was no more business so meeting was closed at 7:05. Shirley

## Fall Tour note from Shirley

The Fall Tour is arriving soon. We will be doing a few things and already we have 20-25 people that will be joining us during the weekend. We are excited and hopefully the weather will be good that weekend too!!

One of the things that Tom and I have asked is that if you are going, to let us know when and how many. We have made reservation for different places and it is really helpful to know how many are going to be there. If you think that you are only one or two more people and that it shouldn't make a difference, it might because if even 3 –five more people join us it might mean more work for the staff at the restaurants and other places we are going to be stopping at. We also are getting breaks at a couple of places on how many people will be coming.

I will be sending out an agenda with times and costs of the places that we will be visiting. I will not be sending it out to everyone, only the ones that have signed up. Thank you to the ones that have let me know.
